Tuba-Euphonium Online Resources

BBS and Interest Groups

International Tuba & Euphonium Association

www.iteaonline.org

- This organization helps in spreading knowledge of the tuba & euphonium world wide. The website is open to public at the moment, but it will soon feature a members only section.

Sean Chisham's TubeNet

<http://forums.chisham.com>

- This website is one of the most popular BBS for tuba & euphonium. Registration is free and it has a lot of different links to shops, organizations, and tuba-euphonium job listings as well as providing pedagogical references.

Tuba News

www.tubanews.com

- This is a monthly newsletter that features new articles of interest on the tuba & euphonium.

Dave Werden's Home Page

www.dwerden.com

- David Werden has a few features on his site that are very unique such as suggested repertoire lists and other tuba-euphonium references.

Tubamania International

www.tubamania.com.au

- This is a conference that occurs every few years in Sydney, Australia.

TubaChristmas

www.tubachristmas.com

- This event has become an incredible spectacle during the Christmas season.
